

UPWARD BASKETBALL REMINDERS

1. **On Game Days - Arrive 30 minutes before your game time** and meet with your coaches in the Line-Up Room (room #304). Row assignments will be on the board along with Team Room Assignments. Team signs will also be on each row so that it will be easier to locate the row your team will sit in for line-up. Rows and team rooms will change each week so families need to check the board for assignments.
2. **On Photo Day - Arrive 1 hour before game time** for team and individual photos. Please wear your uniform and a smile.
3. Parents, Grandparents, Siblings and Friends are welcome to sit in the bleachers during all practices and games.
4. A Master Game Day Schedule will be posted each week.
5. **Please do not bring personal basketballs to practices or games.**
6. Remain off the court area until it is your designated practice time and you are instructed by your coach to enter the court area.
7. There is no open play during practice or on Game Day. Please keep off the court during practice times and during Half Time of the games.
